FRIDAY, JUNE 16

TRADE COUNCIL  
AKRON

AN AKRON soldier writes home  
from camp near Manila that "there  
is not an imperialist among all the  
American troops in the Philippines."

These soldiers ought to know.

THE Democrats of Pennsylvania,  
at their state convention Wednesday,  
adopted resolutions renewing their  
pledges of fidelity to the Chicago  
platform and their matchless leader,  
Wm. Jennings Bryan. The cam-  
paign in the state will be waged  
chiefly against Quayism and corrupt  
local government.

Geo. B. Cox, the Cincinnati dive-  
keeper and partner with Mr. Hanna  
in the business of running the Repub-  
lican party of Ohio, is slated to  
succeed Senator Foraker in 1901. Judge  
Nash, the nominee for Governor, is  
to be given a position on the Federal  
bench after his first term, and Judge  
Caldwell is to be made Governor.  
This program lacks one thing only—  
the ratification of about half a mil-  
lion of Ohio's intelligent Republican  
voters.

THE Administration seems to be  
having a hard time getting recruits  
for its war in the Philippines. A  
dispatch from Washington says:  
"The recruiting stations throughout  
the country are not securing men  
with the alacrity that the war  
department would like. In fact there  
is apathy manifested in a number of  
cities which hitherto have been pro-  
lific in securing 'rookies.'" It has  
been necessary to offer a bounty of  
\$600 each to recruits now in the Phil-  
ippines to induce them to re-enlist.

THE Lincoln club of Toledo is try-  
ing to oust Mayor Jones because "he  
has publicly repudiated the Republi-  
can party by denouncing every prin-  
ciple for which it stands." The only  
Republican "principles" Jones has  
denounced are favoritism to the cor-  
porate interests, at the expense of the  
people, whether municipal, state or  
national in its character—corruption,  
bribery, bossism, and their acknowl-  
edged exemplar, the Hon. Mark  
Hanna. No wonder the Toledo  
disciples of Lincoln cannot stand  
assaults such as these upon the car-  
dinal principles of latter-day Repub-  
licanism.

THE announcement is made from  
Washington that "as soon as the  
President returns from his vacation,  
which begins tomorrow, plans will  
be definitely considered for landing  
a sufficient force upon the Philip-  
pine islands to crush out the rebel-  
lion." More than two months ago it  
was triumphantly declared that the  
"backbone of the rebellion had been  
broken." The fact is that Uncle  
Sam's troops have as yet hardly more  
than obtained a foothold in the  
islands, and that the business of  
subjugating the natives who are  
fighting for their independence will  
cause such a great sacrifice of life  
and money as will be appalling to  
the American people. With these  
discouraging conditions becoming  
more apparent to the people every  
day, despite the efforts of the censor  
at Manila, is there any wonder that  
the war department, as is told in the  
news from Washington today,  
"guards, as it guards nothing else,  
the list of casualties in the Philip-  
pines" and details relating to the  
prosecution of the war.

Relief Association.

The annual outing of the Werner  
Relief association with friends at  
Cedar Point tomorrow will be largely  
attended. Hundreds have signified  
their intention of going.

cured. The train will leave the  
Union depot Saturday morning at  
6:30 o'clock arriving at Cedar Point  
at 9:30. Returning the train leaves  
Sandusky at 7 o'clock, arriving here  
at 10 o'clock. Tickets, adults, \$1.00;  
children, 55 cents.

## MORE GOOD WORDS

For the Candidacy of Judge Grant—Want Him to Have  
Unanimous Endorsement of Local Democrats.

Among the communications the  
DEMOCRAT has received endorsing  
the candidacy of Judge Grant for  
Supreme Judge is one from the ven-  
erable Gov. Sidney Edgerton, one of  
the founders of the Republican party  
and one who has frequently been  
given the complimentary title of  
"The Nestor of the Summit County  
Bar." Governor Edgerton says:

To the Editor:

"I consider Judge Grant a very  
capable man, a capable lawyer, and a  
man of convictions; a man with cour-  
age to express his convictions and  
live up to them. I would like to  
see him nominated and elected to the  
Supreme bench of Ohio, for which I  
consider him pre-eminently qual-  
ified.

S. EDGERTON."

Mr. S. C. McNeil, who has been as  
long in the local Democratic harness  
as any other man, has the following  
good words to say in behalf of Judge  
Grant:

To the Editor:

"The people of Summit county  
have known Judge Grant for more  
than 35 years and regardless of poli-  
tics, they know him to be a man of  
eminent ability and competent to fill  
the office for which he has been  
mentioned. And we feel that our  
supreme court would be honored by  
the accession of such a man as Judge  
Grant. While he may not be a poli-

tician, in the sense of the word today,  
we know him to be an honorable, up-  
right and conscientious man  
and I have no hesitancy in  
saying that he would have the  
support of three-fourths of the  
voters of Summit county, regard-  
less of politics. I am only too glad  
to add my endorsement to that  
of many others of Summit county  
concerning the candidacy of Judge  
Grant for the supreme bench. I  
trust that there may be no division  
of the Democrats of Summit county  
in regard to this matter for I feel  
that it will be an honorable tribute  
to a worthy man if Judge Grant is  
selected as our standard bearer for  
the office to which he aspires.

Very truly,  
S. C. McNEIL."

Mr. S. P. Hartzell, member of the  
Board of Education from the Fourth  
ward, says:

To the Editor:

"I wish to add my most hearty en-  
dorsement of Judge C. R. Grant for  
the nomination for Judge of the Su-  
preme Court of Ohio, believing that  
he is particularly well qualified to  
fill that position by natural talents,  
unflinching integrity and the courage  
of his convictions. I hope he will  
receive the unanimous support of  
the delegation from Summit county."

S. P. HARTZELL."

## BLAND DIED IN PEACE.

His Passing Away Without  
Apparent Suffering.

FUNERAL SERVICES TOMORROW.

All the Ministers in the Place to Par-  
ticipate—Remains Lie in State Today  
in the Opera House, at Lebanon, Mo.  
Sketch of His Career.

LEBANON, Mo., June 16.—Congress-  
man Richard Parks Bland died at his  
home near Lebanon, peacefully and  
without apparent suffering.

Mr. Bland returned home when con-  
gress adjourned in March and soon suf-  
fered a relapse from an attack of la-  
grippe. For more than two months he  
had been confined to his home and his  
health had gradually declined. He  
thought he would not survive the at-  
tack from the first, and showed his  
thorough knowledge of his condition.  
On the third of this month, Mr. Bland  
suddenly grew worse, and his sons, who  
were in school, were summoned home  
and for the first time the public was in-  
formed of his critical condition.

From time to time after then the pa-  
tient showed signs of improvement, but  
he continued to grow weaker. Sunday  
and Monday he presented an improved  
condition and Monday afternoon strong  
hopes for his recovery were entertained.

About 10 o'clock Tuesday night, how-  
ever, he fell asleep and continued in  
that condition until death came at Leba-  
non at 4 o'clock Saturday afternoon.

Mr. Bland's remains will be placed in  
the opera house today and will lie in  
state for about 24 hours. The funeral  
will be conducted by the Masonic order  
and all the ministers of Lebanon will be  
present to assist.

Richard Parks Bland was born Aug.  
19, 1835, near Hartford, Ky., in the  
Green river country. He came to Mis-  
souri when about 20 years of age and  
five years
